

Prolog User Certification Description

Education Services

Description:

This certification program is designed for experienced Prolog users, administrators, and members of implementations teams. Prolog certification demonstrates proficiency in the latest Prolog functionality. The certification program consists of two exams:

- **Multiple Choice Questions Exam:** You will be required to complete a multiple choice exam of approximately 120 questions. The test must be completed with 80% score or higher. Allow 2 hours to complete, but you can stop and resume the tests at anytime or retake, if needed.
- **Hands-On Exam:** You will be presented with case studies through which you will demonstrate your knowledge of Prolog Manager by entering settings and data following a project scenario provided by your Meridian exam proctor. Allow 2 hours to complete the hands-on exam.

Pre-Requisites:

This certification program requires in-depth knowledge of Prolog Manager Application.

- ✓ Completion of Prolog Essentials course.
and
- ✓ Completion of Prolog Self Study program available from Meridian Education team.
or
- ✓ Real life experience implementing or using Prolog

Topics:

- Portfolio Manager
- Security Manager
- Tools, Preferences, Options
- Doc Control
- Cost Control
